

Moonlight Canoe Weekend

FRIDAY, JULY 18–SUNDAY, JULY 20

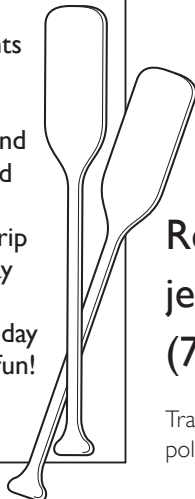

Please join us as we escape the heat of New York City to explore what the summer has to offer at our lodge in Vermont.

The highlight of the weekend is a moonlight canoe trip on Saturday night. We paddle to a secluded spot in the center of scenic Waterbury Reservoir and enjoy a fully-prepared gourmet meal. After dinner, we relax by the fire or even go for a swim. When the moon is full, we head back by the light of the moon... and, yes, with the help of guides.

The rest of the weekend is yours to hike, shop or relax at the lodge.

Weekend includes:

- ★ Lodging for two nights
- ★ Moonlight canoe/kayak trip
- ★ Dinner, equipment, and transportation to and from drop-off point provided on canoe trip
- ★ Breakfast on Saturday and Sunday
